An AKC application to individually register the puppy will be given upon receipt of the balance, and if by paying by check after the check has cleared. Seller/breeder will provide proof of hip (OFA) and eye (CERF) certificates on the sire and dam, unless otherwise indicated.

Buyer acknowledges receipt of the guarantee, and understands and agrees to its terms and conditions.

Buyers Initials \_\_\_\_\_

The Buyer represents and warrants that this puppy is being purchased for the buyer or his immediate family, and that the buyer is not acting as an agent for another.

If for any reason the Buyer cannot keep the dog, the Buyer agrees to contact and advise the Seller of the dog's availability and location to discuss the dog's future. If the Buyer moves while owning this dog he will notify the Seller of his change of address.

Feeding, inoculations, worming records, crating/housing, and training recommendations will be supplied when the puppy is sold. It is necessary for the buyer to follow these recommendations. Any questions or problems the Buyer should call the Seller immediately.

The Seller will attempt to grade the litter for future potential. Such grading must be considered an educated guess at best. For this reason, we can only assume that the puppy selected for show or breeding purposes will mature to meet these expectations. This is not a guarantee that it will. At this time, your puppy has / has not been graded as show or breeding potential and sold on a full / limited registration with the AKC.

Buyer agrees to show this puppy to its Championship if sold as show quality.

Seller agrees to the Seller's option to refund the purchase price in lieu of a replacement under the terms of The Guarantee – General Terms, paragraph two, Hips and Eyes -- if the dog was sold with show or breeding potential.
